(U.S.A. - from Northern harmony via Sian Croose)

High on a hill a-bove the sea there is a grave stan- ding un- der-
High on a hill a-bove the sea there is a grave stan- ding un- der-
8 High on a hill a-bove the sea there is a grave stan- ding un- der-
High on a hill a-bove the sea there is a grave stan- ding un- der-
neath a tree U- pon the stone these
neath a tree U- pon the stone these
8 neath a tree U- pon the stone these
neath a tree U- pon the stone these
words are found, a prayer to all who's ear- thly bound
words are found, a prayer to all who's ear- thly bound
8 words are found, a prayer to all who's ear- thly bound
words are found, a prayer to all who's ear- thly bound

chorus 10

'Don't kneel at my grave-side and cry

'Don't kneel at my grave-side and cry I am not

8 'Don't kneel at my grave-side and cry

cresc. *mf*

I am not there, I did not die For I am the cloud that

there, I did not die For I am the cloud that

8 I am not there, I did not die For I am the cloud that

For I am the cloud that

drifts on by, don't kneel at my grave-side and cry.

drifts on by, don't kneel at my grave-side and cry.

8 drifts on by, don't kneel at my grave-side and cry.

drifts on by, don't kneel at my grave-side and cry.

2. I am the fields of summer grain, I am a cool wind before the summer rain
And in the stillness of the night, I am a candle burning bright.

3. I am the diamonds in the snow, I am a thousand stars around the heavens that glow.
And in the silence when you wake, I am the dawning of the day.
